

NESD Head Start Extended-Day Survey

Dear Family,

The NESD Head Start Program will be offering a full-day preschool option (6-7 hours/day, 4 days/week) for a certain number of children during the 2020-2021 school year and going forward. Your participation in this survey is important and will help us determine where best to offer these services. Any and all feedback is helpful, so please complete whether you feel a full-day option would be beneficial to your family or not. Please return this form to your Head Start Center by March 18th. An online option for this survey can also be found at the following link: <https://www.surveymonkey.com/r/9BY8DV6> – thank you for your cooperation!
