

## Home Base Creative Curriculum Adaptations

*Due to space/time constraints the following adaptations are made to Home Base Socializations sites in order to follow the Creative Curriculum with fidelity without changing the nature and intent of the material.*

### **Learning Environment**

Indoor Classroom (1)—On Home Base Group Days:

Sand and water play at least 4 times per year

Discovery Center at least 4 times per year

Dividers (2)—Shelving and furniture are not available at all Group Meeting places.

Labels (5)—Interest areas are labeled

Manipulatives containers are labeled

Photographs (6) Pictures of children and their families are put up at group and displayed at eye level. Pictures may be put on tag board or large construction paper for display or in binders available for viewing.

Blocks (8) At least one kind of blocks with props, i.e. trucks, tractors, people

Sand and/or Water play (12)— at least 4 times a year at group

Library Area (13)—at least 10-12 books available in library area

Music/Movement, Cooking & Technology – are NOT required as a permanent interest areas - incorporate these opportunities throughout the year
