

First Aid Kit Requirements Fanny Pack/Home Base/Center

(1) All Head Start Centers are equipped with a First-Aid kit. The home-base programs have mobile first-aid kits.

Head Start staff are given fanny packs and they are accessible to all staff and volunteers to be used on the playground, home visits, field trips, group meetings and any other activity related to Head Start.

(2) All kits are inventoried monthly by local staff. All routine and frequently used items, such as cold packs, band-aids, clean-up kits, are kept in supply at the main office for restocking as needed. Staff will submit a requisition for items needed.
